- We understand that in order to continue enrollment as a high school concurrent student a minimum 2.0 college GPA must be maintained.
- We understand that any schedule adjustment or withdrawal must be approved by the High School Counselor. Failure to withdraw may result in an “F” grade that cannot be removed.
- We understand that courses taken for dual credit may affect high school graduation eligibility. If I drop/withdraw from a concurrent course, I must notify my High School Counselor immediately.

Tuition Cost:

-Senior: Concurrent tuition is waived up to six credit hours per semester, starting the summer semester before senior year. Seniors are responsible for the cost of textbooks and any fees associated with their classes (lab fees for science classes, etc.).

-Junior: Juniors are responsible for full tuition, plus the cost of textbooks and any fees associated with their classes (lab fees for science classes, etc.).

I have read and understand the provisions set forth by my high school and Redlands Community College for my concurrent enrollment. I give permission for Redlands to release my test scores, grades, attendance information, and Redlands transcripts to my high school and parent/legal guardian for the duration of my concurrent enrollment.
